

## Glenwood Road Sidewalks

**Location:** DeKalb County, Georgia  
**Client:** DeKalb County Transportation Division  
**Type:** Pedestrian Improvement  
**Funding:** Federal & Local

- Sidewalk improvements along a 4-mile section of Glenwood Road, providing improved pedestrian access along the roadway and at crosswalks.
- Over a seven year period, there have been 66 vehicular crashes involving pedestrians, resulting in 57 injuries and 8 fatalities.
- Heavily worn footpaths clearly mark the need for the addition of sidewalks along the roadway. Existing sidewalks and crosswalks must be improved to meet ADA guidelines.
- Two mid-block crosswalks are included in the project.

### Scope of Services:

McGee Partners' responsibilities included:

- Preparation of GDOT Concept Report & Layouts
- NEPA Environmental Studies and Documentation (EA/FONSI)
