

Kensington Road Sidewalks

Location: DeKalb County, Georgia
Client: DeKalb County Transportation Division
Type: Pedestrian Improvements
Funding: Federal (CMAQ), Local

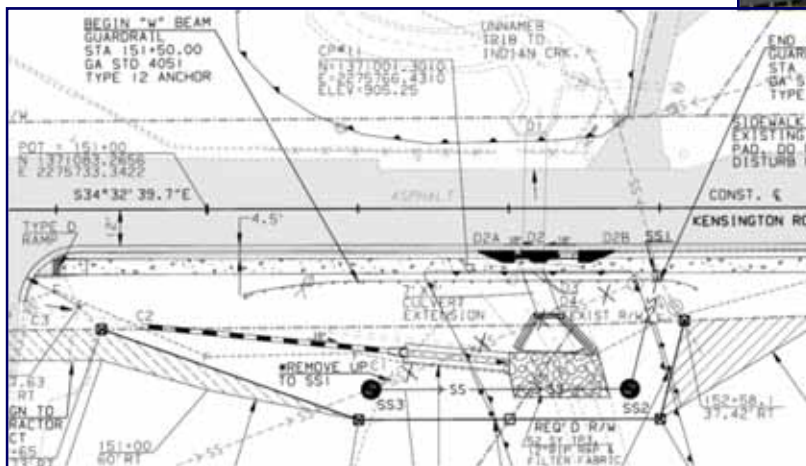

Project Information:

- Construction completed in 2010
- The project includes the construction of an ADA-compliant sidewalk along a 2-mile section of Kensington and Redan Roads.
- The purpose of the project is to provide improved pedestrian access between the Kensington and Indian Creek MARTA rail stations.
- Property impacts were minimized using a variety of typical sections that best met the specific context of each property.

Scope of Services:

McGee Partners' responsibilities included:

- Preparation of Concept Layouts
- NEPA Environmental Studies and Documentation
- Preliminary Construction Plans
- Right Of Way Plans
- Final Construction Plans
- Sewer Relocation Plans

Preparation and approvals for the GDOT Concept Report and the NEPA Categorical Exclusion took less than a year for this project.
